

Student ESL Course Results by CEL2 Score

Results obtained from SRJC SIS database 6/13/17

- 222 students took the CEL2 test prior to the SP17 term – 133 of these students account for the 165 course results in the 16 ESL courses below (some enrolled in more than one course).
- Identification of students enrolled below cut-score threshold on page 9.
- Current SIS ESL Course Level Table – page 9
